AYUSH THAKUR

7876628642 - Dharamashala, Himachal Pradesh

● thakurayush24681@gmail.com   ● Linkedin   ● Git-Hub   ● Instagram

OBJECTIVE

I'm a motivated and curious learner currently pursuing my degree, actively seeking internship opportunities where I can contribute, grow, and gain practical experience. I enjoy solving problems, adapting to new environments, and collaborating with others to make a meaningful impact.

EDUCATION

B.Tech, Artificial Intelligence and Machine Learning   Aug 2023 - Present
CGC Jhanjeri, Mohali - Chandigarh

+2 (Non-medical)   Apr 2022 - Mar 2023
DAV Public School - Dharamshala

SKILLS

Languages	HTML/CSS, JavaScript
Frameworks	React.js
Tools	VS Code, Git/GitHub
Databases	MySQL

PROJECTS

PG Life – Web-based PG Accommodation Portal
Developed a responsive web application for students and professionals to find PG accommodations. Integrated filters by city, gender, and price. Implemented dynamic property listing with search and sort features. (View Source Code)

Real-Time Cryptocurrency Tracker
Developed a React-based web app to monitor real-time prices of cryptocurrencies using public APIs. Includes search, filtering, and live updates. Deployed on Vercel using React.js, Axios, and CoinGecko API. (View Project)

Expensza – Personal Budget Tracker
Built a user-friendly frontend web application for tracking expenses and managing monthly budgets. Designed landing, login, and signup pages. (View Project)

CERTIFICATIONS

Web Development Course, Internshala   Mar 2025 – May 2025
